

REMARKS

Claims 29, 30, 38-40, 49-59, 62, and 63 are pending in the application upon entry of the amendments. Claims 29, 30, 38-40, 49-53, and 62 have been amended to correct dependency. Claims 27, 28, 31, 41-48, and 60 have been canceled without prejudice. Since the amendments place the application in condition for allowance, do not require further searching, and/or place the claims in a better position for appeal, entry is respectfully requested. Favorable consideration in light of the amendments and the remarks which follow is respectfully requested.

The Amendments and Allowable Subject Matter

The Examiner's indication that claim 63 contains allowable subject matter is noted with appreciation. Claims 27-30, 38-41, 46-60, and 62 depend, directly or indirectly, from allowed, independent claim 63. In addition to the attempted cancellation of claims 27, 31, 42-45 in the Supplemental Reply, this Second Supplemental Reply also cancels claims 28, 41, 46-48 and 60.

Further searching and further consideration for the subject matter of claims 29, 30, 38-40, 49-59, and 62 is NOT required, because each of these claims more narrowly describes an element of allowable claim 63. Thus, the subject application is in condition for allowance. A prompt action to such end is earnestly solicited.

Petition for Extension of Time

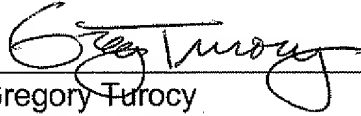

A request for a one month extension of time is hereby made. A Credit Card charge form is enclosed herewith to pay the petition fees.

Should the Examiner believe that a telephone interview would be helpful to expedite favorable prosecution, the Examiner is invited to contact Applicants' undersigned attorney at the telephone number listed below.

In the event any fees are due in connection with the filing of this document, the Commissioner is authorized to charge those fees to our Deposit Account No. 50-1063.

Respectfully submitted,

AMIN, TUROCY & CALVIN, LLP
